**Aker Clean Hydrogen** | **Parul Soni** Think Through Consulting | **Leanne Drøyer** Greenstation

16:10

#### PANEL DEBATE & CLOSING REMARKS

19:00

#### APERITIF & DINNER

Dinner at 643 meters above sea level, Skyskraperen restaurant

# OPPORTUNITIES FOR GREEN HYDROGEN IN INDIA

## Program

30th - 31st August 2022

Bergen, Norway

## 31st August - *Industry Visits*

09:00

### ***Departure to Kollsnes***

Travel by bus to Kollsnes.

10:30

### ***Blue H2 Production & CCS***

Northern Lights | ZEG Power | CCB Kollsnes

About 1 hour from Bergen, at Kollsnes we find the Coast Center Base (CCB) Energy Park, where ZEG Power is constructing a pilot demonstration plant for blue hydrogen production and Northern Lights is developing the world's first open-source CO2 transport and storage infrastructure.

12:00

### ***Lunch***

hosted by Tom Georg Indrevik, Mayor of Øygarden Municipality

13:00

### ***Travel to Fantoft with stops***

Stop at Greenstation in Straume  
The world's most user-friendly charging station

15:00

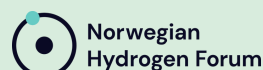

### ***Company Presentations at Fantoft***

Alma Clean Power | Greenstat | Gexcon | Clara Venture Labs...

Travel between the locations will be by bus.

### ***Knowledge & Support Partners***

### ***Organisers***

### ***Main Sponsors***
